GENERAL

OUTLINE: N109EX will be filmed landing and taking off from the above address. N67TV will follow N109EX to 200 feet with an aerial camera filming N109EX as it lands and then rise to above 500 feet and depart. N109EX will depart on the same route as the arrival. We would like to invoke the 200 foot equivalent safety level for persons between 200 feet and 500 feet of the operating helicopter. Persons in this zone will be asked to stay inside during the landing and departure of the helicopter. Production personnel will be placed inside this zone with radios to give the all clear when they have established that there are no non-participants outside of a building. Production will make arrangements to remove all persons inside of 200 feet of the operating helicopter. Production personnel will be placed inside these areas to see that no one is in the area during the landing and departure of the helicopter. Businesses inside the 200 foot zone will be vacated during this operation.

Dear Resident,

We at Master Chef are planning to kick off season 10, with a fun helicopter arrival at our stage, 7700 Balboa Blvd Van Nuys, CA 91406. We are planning to land a helicopter with our 3 judges (including Gordon Ramsay) on Thursday Feb. 21st between 7pm and 10pm. There would also be some ground level fireworks, but not while the helicopter is flying. In total it would require 2 landings, and 2 take offs from our parking lot. The FAA has advised us that during our helicopter work, we will be required to secure a perimeter for safety purposes. If you are receiving this letter, your location has been deemed necessary to evacuate from 7pm - 10pm. We are requesting your cooperation in this safety zone.

Please return this letter to your park manager, and feel free to email us any questions or concerns.

Sincerely,

Jonathan W. Brown
